PPA Administrative Order No. 02 - 89
Series of 1989

TO : PDO AND PMO MANAGERS
CARGO HANDLING CONTRACTORS
BROKERS/IMPORTERS
AND ALL CONCERNED

SUBJECT : Cargo Handling Rate for Dangerous
/Obnoxious Cargoes

Cognizant of the need to categorize dangerous/obnoxious cargoes for purposes of imposing the appropriate and reasonable cargo handling rate, cargoes classified by the PPA, International Maritime Organization and other government agencies as dangerous/obnoxious shall be charged a handling rate according to the classification hazard of the cargo, as follows:

CLASSIFICATION HAZARD	HANDLING RATE		
	Bulk or Break-Bulk	Containerized	
Class 1- Explosives	150%	150%	
Class 2- Gases	125%	125%	
Class 3- Inflammable Liquids	150%	125%	
Class 4- Inflammable Solids	150%	125%	
Class 5- Oxidizing Agents, Organic Peroxides	125%	110%	
Class 6- Poisonous (Toxic) and Infectious Substances	150%	150%	
Class 7- Radioactive Substances	150%	125%	
Class 8- Corrosives	150%	150%	
Class 9- Miscellaneous Dangerous Substances	125%	110%	

For reference, attached herewith is the list containing the technical names of dangerous cargoes with their respective classification hazards. Cargoes which were not included in the attached list for one reason or another, but are considered dangerous/obnoxious, shall likewise be subject to additional handling rate following the above schedule.

In accordance with existing safety rules and regulations, Cargo Handling Contractors are directed to provide their workers with the special type and appropriate personal protective apparel and other safety equipment during the handling of dangerous/obnoxious cargoes. In no case shall the Cargo Handling Contractors allow their workers to handle such cargoes without the required personal protective equipment. Violation of this provision may cause the Contractor to lose its right to collect the additional handling rate.

Other rules and regulations, orders and issuances inconsistent with any of the provisions of this Order are hereby revoked, amended/modified accordingly. Any violation of this regulation shall be dealt with accordingly pursuant to Section 43 of PD 857 as amended and other applicable laws.

This shall take effect 15 days after its publication in any newspaper of general circulation.
