Pursuant to Section 20 of Presidential Decree No. 857 as amended and the need to further rationalize the tariff on domestic container handling, the following measures are hereby prescribed:

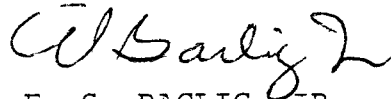

1. The stevedoring rate for domestic containers ten feet and below, whose external dimensions conform with ISO 668-1976 (Series I) containers designated as 1D, 1E, or 1F, shall be sixty (60%) percent of the rate prescribed in Section A of PPA Administrative Order No. 08-79 dated 12 March 1979 as amended by PPA Administrative Order Nos. 12-79 dated 18 June 1979, 02-80 dated 2 April 1980, and 05-81 dated 10 June 1981.

2. The present stevedoring rate prescribed in PPA Administrative Order No. 08-79 being ₱63.20 in line with earlier grants of successive increases, the stevedoring rate for those containers specified in Section 1 of this Order is computed at 60% of ₱63.20, which is equivalent to ₱37.92 effective 15 October 1981.

3. This Order shall not have any retroactive effect whatsoever and shall not be used as a basis for adjustment of any payment made under protest or for settlement of any outstanding account for stevedoring charges on domestic containers ten feet and below prior to the promulgation of this Order.

4. All orders, circulars, memoranda and other issuances inconsistent or contrary to this Order are hereby repealed or modified accordingly.

This Order shall take effect on 15 October 1981 in all ports.
