**SUBJECT :** Approved Implementation of the Eight Percent (8%) Balance of the Approved 10% Increase in Cargo Handling Tariffs at the Manila South Harbor and Manila International Container Terminal (MICT)

Pursuant to Board Resolution No. 3129, the implementation of the eight percent (8%) balance of the approved 10% tariff increase in cargo handling charges (except for empty containers and out-of-gauge cargoes) at the Manila South Harbor and MICT was approved.

The implementation of the eight percent (8%) balance shall be effective 15 days after publication in a newspaper of general circulation.
