PPA OPERATIONS MEMORANDUM ORDER
No 03 2005

T O The PDO/PMO Managers
Cargo Handling Operators
Shipping Companies
Others Concerned

SUBJECT **Clarification on the Application of the 15% Across-the-Board Interim Increase Under PPA Memorandum Circulars (MC) Nos. 13-2005 and 14-2005**

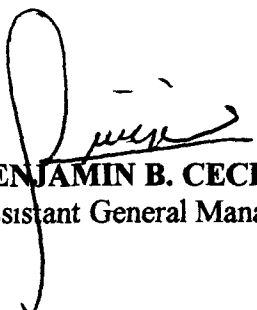

In order to have a uniform understanding on the application of the 15% across-the-board interim increase under PPA MC Nos 13-2005 and 14-2005, please be clarified on the following

- The Terminal Fee under PPA MC No 17-2003 is not covered by the 15% increase
- The 15% increase shall be applied to the other modes of handling rolling cargoes such as CHA-RO and STO-RO

All PMOs which have no rates for CHA-RO and STO-RO in the tariff schedule shall submit for validation to the AGM for Operations, ATTN CSD, the computed rates for CHA-RO and STO-RO with 15% adjustment based on the rates as provided for under Section II and III of PPA Operations Memorandum Order No 01 – 2001

Please be reminded of the mechanics of the rounding-off, which is to the nearest P1 00

For compliance

BENJAMIN B. CECILIO
Assistant General Manager for Operations

VISION

By 2010, PPA shall have met the international standards in port facilities and services in at least ten (10) ports in support of national development

D3

MISSION

We commit to provide reliable and responsive services in our ports, sustain development of our port communities and the environment and be a model corporate agency of the government
