SUBJECT: : **Amendment to PPA Memorandum Circular No. 06-2002
Re Procedures in the Conduct of Public Hearings for
Rate Increases**

PPA Memorandum Circular No. 06-2002 dated 28 January 2002 was issued to constitute the hearing panel in the conduct of public hearing for rate increases in cargo handling services or other port fees, among others. There is, however, a need to review the Circular particularly the attendance of the hearing panel in public hearings conducted outside Manila as this entails additional financial burden to PPA.

After careful review and in line with the implementation of the Administrative Order No. 103 directing the continued adoption of austerity measures in the government, the same Circular is hereby amended, such that, the Technical Assistants of the Members of the Board of Directors (representing NEDA, DTI, DOF, Private Sector, MARINA and DPWH) shall be represented by their local counterparts where possible, in the public hearings conducted outside Manila.

This Circular shall take effect immediately and shall remain in full force and effect unless otherwise revoked or cancelled.
