PPA MEMORANDUM CIRCULAR
NO. 14 - 93

TO All PDCs/PMOs
Domestic Shipping Lines, Agents
and Others Concerned

SUBJECT SUBSCRIPTION AND OATH ON COASTING/PASSENGER
MANIFESTS IN LINE WITH EXECUTIVE ORDER NO. 493

In keeping with the basic intent of Executive Order No. 493 which is to streamline and expedite the issuance of clearances for domestic vessels, and in order to ensure uniform and expeditious action on manifests, all concerned are hereby advised that the Coasting and Passenger Manifests of domestic vessels shall be subscribed and sworn to before the duly designated PPA Clearance Officer.

Whereas prior to the issuance of EO 493 and the Memorandums of Agreement between PPA and other concerned government agencies when such was administered by the duly authorized BOC official, this procedure shall no longer be followed in view of PPA's deputization by the Bureau of Customs regarding vessel clearance functions. Considering therefore that said functions have been transferred from BOC to PPA with the implementation of EO 493, the subscription and oath required on said manifests shall henceforth be administered by the PPA Clearance Officer.
