- B. Project Code : **NRP-SUR-02-18**
- C. Location : **Port of Aras-asan, Cagwait, Surigao del Sur**
- D. Brief Description :
- |                                                                                                                                                                          |   |                  |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|------------------|
| 1. GENERAL EXPENSES                                                                                                                                                      | - | 1 l.s.           |
| 2. DEMOLITION, EXCAVATION AND REMOVAL WORKS                                                                                                                              | - | 1 lot            |
| 3. SUPPLY AND DRIVE TIMBER PILES                                                                                                                                         | - | 30,237.90 bd.ft. |
| 4. SUPPLY, PLACE AND COMPACT GRANULAR FILL FOR THE RIP-RAP OF THE NEW CONSTRUCTED FENCE INCLUDING WEEP HOLES                                                             | - | 275.64 cu.m.     |
| 5. SUPPLY AND PLACE 15-25 KGS. BOULDERS FOR THE RIP-RAP OF THE NEWLY CONSTRUCTED FENCE                                                                                   | - | 262.20 cu.m.     |
| 6. CONCRETING WORKS FOR GUARDHOUSE, PERIMETER FENCE, GATE ENTRANCE AND EXIT, SOLAR LAMP POST PEDESTAL, SHEAR KEY ORNAMENTS, CONCRETE FACING AND BREASTING DOLPHIN BLOCKS | - | 1 lot            |
| 7. MASONRY WORKS                                                                                                                                                         | - | 1 lot            |
| 8. DOORS AND WINDOWS FOR GUARDHOUSE AND TERMINAL OFFICE                                                                                                                  | - | 22.00 units      |
| 9. FINISHES                                                                                                                                                              | - | 92.93 sq.m.      |
| 10. FABRICATION WORKS                                                                                                                                                    | - | 1 lot            |
| 11. ROOFING WORKS                                                                                                                                                        | - | 83.31 sq.m.      |
| 12. CARPENTRY WORKS                                                                                                                                                      | - | 1 l.s.           |
| 13. SUPPLY AND INSTALL PLUMBING AND SANITARY FIXTURES                                                                                                                    | - | 1 l.s.           |
| 14. ELECTRICAL WORKS FOR GUARDHOUSE, TERMINAL OFFICE AND PERIMETER FENCE                                                                                                 | - | 1 l.s.           |
| 15. PAINTING WORKS                                                                                                                                                       | - | 2,775.00 sq.m.   |
| 16. CONCRETE WORKS FOR DRAINAGE SYSTEM                                                                                                                                   | - | 1 lot            |
| 17. SUPPLY, DELIVER AND INSTALL HOT-DIPPED GALVANIZED STEEL GRATINGS                                                                                                     | - | 123.00 units     |
| 18. INSTALL RECYCLED PAVING BLOCKS                                                                                                                                       | - | 156.00 sq.m.     |
| 19. SUPPLY, DELIVER AND INSTALL 500MM X 1500MM V-TYPE RUBBER DOCK FENDERS                                                                                                | - | 2.00 units       |
- E. Required Equipment:
- |           |                                             |
|-----------|---------------------------------------------|
| 1 – unit  | Plate Compactor (owned)                     |
| 1 – unit  | One-bagger Concrete Mixer (owned)           |
| 2 – units | Concrete Vibrator (owned)                   |
| 1 – unit  | Bar Shear / Cutter (owned)                  |
| 1 – unit  | Electric Grinder (owned)                    |
| 1 – unit  | Oxy-Acetylene Cutting Outfit (owned)        |
| 1 – unit  | Backhoe with Breaker (capacity 90hp)(owned) |
| 1 – unit  | Welding Machine Electric Driven (owned)     |
| 1 – unit  | Water Truck with Pump (1000gal) (owned)     |
| 1 – unit  | Dump Truck (10 cu.m.) (owned)               |
| 1 – unit  | Air Compressor 161-185 CFM (owned)          |
| 1 – unit  | Boom Truck (3 tons) (owned)                 |
| 1 – unit  | Electric Drill (owned)                      |
| 1 – unit  | Transit Mixer (5.0 cu.m. capacity)(owned)   |
- F. Approved Budget for the Contract (ABC) : **P 28,560,746.00**
- G. Source of Fund : **PPA R/M Funds**
- H. Contract Duration : **180 Calendar Days**
- I. Required PCAB Registration : **Medium “A” – Port, Harbor and Offshore Engineering**

Interested bidders must present **certified copy of their valid PCAB license/registration** and **must present Original Copy of Special Power of Attorney (SPA)** from the owner if done by a representative. A complete set of Bidding Documents may be purchased by interested Bidders from the address below upon payment of a non-refundable fee of Twenty Five Thousand Pesos (P 25,000.00) inclusive of VAT.

Prospective bidders should possess a valid PCAB License and registration particulars applicable to the type and cost of the contract to be bid, have key personnel and equipment available for the prosecution of the contract as listed in Item E above, and must have completed a similar contract and with the same major categories of work as the contract to be bid and receipt of bids with a value of at least 50% of the approved budget for the contract to be bid, updated to current prices using the NSO price indices, and must meet the other eligibility, technical/project, and financial requirements and other requirements stated in the Eligibility Statement Form and the Bidding Documents.

Bidding will be conducted through open competitive bidding procedures using non-discretionary “pass/fail” criteria as specified in the IRR of RA 9184, otherwise known as the “Government Procurement Reform Act”.

Bidding is restricted to Filipino citizens/sole proprietorships, partnerships or organizations with at least 75% interest or outstanding capital stock belonging to citizens of the Philippines.
