AGENDA: Pre-Bid Conference for the project "**Repair of Damaged Port Facilities damaged by Typhoon Ompong, Port of Claveria, Cagayan**" with an ABC amounting to P 10,260,532.00

The Pre-bid Conference was called to order at 2:05 PM on September 30, 2019 at the PMO Conference Room with the BAC Chairperson as the presiding officer.

The BAC Chairperson asked the Head Secretariat if there is any Supplemental/Bid Bulletin issued for the project. The Head Secretariat informed the body that a Supplemental/Bid Bulletin was issued to modify the Invitation to Bid particularly the scope of works of the project and was posted/advertised at PhilGEPS and PPA websites last September 24, 2019.

The Head Secretariat further informed the body that as of that day, there is no prospective bidder who purchased bidding documents. However, they can still purchase until the deadline set for the submission and receipt of bids.

There being no more matters to be taken up, the meeting was adjourned at 2:20 PM.
