The BAC issues this advisory due to technical problems encountered on PhilGEPS website. The files uploaded by Philippine Ports Authority (PPA) PMO-SOCSARGEN can be downloaded but cannot be opened. On July 25, 2019 BAC meeting, the BAC was able to open the uploaded Invitation to Bid, Bidding Documents and Checklist and Sample Forms. However, when attempted to be opened again on July 30, 2019, all uploaded files can no longer be opened. In the same meeting, a representative of one prospective bidder told the BAC that their Proprietor was able to download the drawings on July 20, 2019.

Thus, we tried to call up the PhilGEPS hotlines (640-6906 to 09) posted on their website several times but unfortunately, nobody picked up the call.

In this regard, prospective bidders, who wish to have an electronic copy of the bidding documents posted for the above-project, may request from the BAC-Secretariat of PMO-SOCSARGEN located at the Port Operations Building (POB).

July 30, 2019.
