Business matters:

The TWG was requested to present the details of the project to which they gave emphases on the following:

- Approved budget of the contract – 29,383,799.26
- Project Duration – 150 Calendar days
- Scope of Work
- Required equipment
- PCAB License Requirement – Port, Harbor and Offshore Engineering – Small B
- The compliance on 2 envelope system
- Markings and Sealings
- And the Schedule of the Dropping and Opening of Bids

The Chairman encouraged the prospective bidders to purchase the bid documents to have enough time in the preparation.

Engr. Elgaran reminded bidders that the project covers supply, delivery and installation.

FESTI requested clarification on their qualification since they don't have a similar contract to the project.

Engr. Belarga clarified that as per verification with the provisions in the GPPB, the project requires for bidders to have a similar project for the contract.

Engr. Elgaran made clarifications in the scope of work by reading a memorandum from the AGM – Engineering regarding the specifications and requirements in the supply delivery of Rubber Dock Fenders.

The Chairman once again solicited comments from the attendees.

Since there was no other concerns, Engr. Belarga motioned for the adjournment of the pre bidding conference at 10:56 A.M.
