VISION

By 2020, PPA shall have provided globally competitive port services in the Philippines characterized by increased productivity, efficiency, timeliness, comfort, safety, security and environmental sustainability.

MISSION

1. Provide reliable and responsive services in our ports, sustain development of communities and the environment, and be a model corporate agency of the government.
2. Establish a mutually beneficial, equitable, and fair relationship with sectors and service providers.
3. Provide meaningful and gainful employment while creating a nurturing environment that practices continuous learning and improvement.
4. Establish a world-class port operation that is globally competitive adding value to the country's image and reputation.
