VISION

By 2030, PPA shall have provided globally competitive port service in the Philippines characterized by increased productivity, efficiency, connectivity, comfort, safety, security and environmental sustainability.

MISSION

1. Provide reliable and responsive services in ports, sustain development of community and the environment, and be a model corporate agency of the government.
2. Establish mutually beneficial, equitable and fair relationship with partners and service providers.
3. Provide meaningful and gainful employment while creating a nurturing environment that promotes continuous learning and improvement.
4. Establish a world class port operation that is globally competitive adding values to the country's image and reputation.
