VISION

"By 2020, PPA shall have provided port services of global standards"

MISSION

1. Provide reliable and responsive services in ports, sustain development of community and the environment, and be a model corporate agency of the government
2. Establish a mutually beneficial, equitable, and fair relationship with partners and service providers.
3. Provide meaningful and gainful employment while creating a nurturing environment that promotes continuous learning and improvement.
4. Establish a world-class port operation that is globally competitive adding values to the country's image and reputation.
